CENTRAL INTELLIGENCE AGENCY

WASHINGTON, D.C. 20505

29 JUN 1982

MEMORANDUM FOR: Captain William A. Mann  
Commanding Officer, Zone 7  
Federal Protective Service,  
General Services Administration

SUBJECT: Memorandum of Appreciation

The performance of the Federal Protective Officers in connection with the President's visit to Headquarters on 23 June 1982, was outstanding. The abrupt changes in schedules, planning, and requirements did not make your challenging tasks any easier. Despite these obstacles, the Federal Protective Officers performed their duties in an exemplary manner. The controls on personnel and vehicles entering the compound were effectively imposed, with appropriate measures of courtesy and assistance. Please extend my thanks and appreciation to the Federal Protective Officers for their significant assistance in making this a memorable event in the Agency's history.
